WHO WE ARE

Our Mission

“To improve the quality of life of cancer patients and their families living in the Pilbara”

About Reach Us - Pilbara Inc

In 2016 Reach Us – Pilbara Inc’s founder, Stacey Hambley, was diagnosed with breast cancer and came to realise first-hand, that there were little to no local, practical support services available in the Pilbara. Further investigation, lead to the realisation that there was little support provided to Cancer patients that lived North of Geraldton.

This was the catalyst, that drove Stacey to commit to providing patient and family support that would lead to a better future. Reach Us Pilbara Inc bring ancillary support services to those battling Cancer and provide support to their families within our Region. To date we continue to be the only provider of practical support services in the Pilbara.
